CQ ANNOUNCES 2014 HALL OF FAME INDUCTEES (Press Release) [edited]. (Dayton, OH, - May 16, 2014) -- CQ magazine today announced its 2014 Hall of Fame inductees, adding two members each to the CQ DX and Contest Halls of Fame, as well as eight new members of the CQ Amateur Radio Hall of Fame.

CQ Amateur Radio Hall of Fame

The CQ Amateur Radio Hall of Fame honors those individuals, whether licensed hams or not, who have made significant contributions to amateur radio; and those amateurs who have made significant contributions either to amateur radio, to their professional careers or to some other aspect of life on our planet. The 2014 inductees (listed alphabetically) are:

- * Clifford Berry, W9TIJ, who helped usher in the computer age as co-inventor of the Atanasoff-Berry computer (or ABC), the precursor of virtually all electronic computers.
- * Warren Bruene, W5OLY, prolific radio designer and innovator who designed many Collins radios and helped the company introduce single-sideband voice communications.
- * John Huntoon, W1RW, former ARRL General Manager, QST Editor, helped bring about international allocation of the 30-, 17- and 12-meter bands.
- * Mike Koss, W9SU, DXer and DXpeditioner; founder and owner of filter manufacturer ICE (Industrial Communications Engineers); key player in establishment of Indianapolis Motor Speedway Amateur Radio Club, W9IMS; organizer of special event station W87PAX at 1987 Pan American Games in Indianapolis.
- * Nancy Kott, WZ8C, former Editor of WorldRadio and WorldRadio Online and tireless promoter of Morse Code as U.S. coordinator of the FISTS CW Club.
- * Paul Laughton, N6BVH, software designer whose accomplishments include developing Apple's disk operating system and Atari's operating system.
- * Ralph Showers, ex-W3GEU, expert on electronic interference and leader of efforts to set national and international standards for electromagnetic compatibility (EMC). He holds several awards from the American National Standards Institute (ANSI) and the Institute of Electrical and Electronics Engineers (IEEE).
- * Steve Wozniak, ex-WV6VLY and ex-WA6BND, co-founder of Apple Computers.

CQ DX and Contest Halls of Fame

The CQ DX and Contest Halls of Fame honor those amateurs who not only excel in personal performance in these major areas of amateur radio but who also 'give back' to the hobby in outstanding ways.

The 2014 inductees to the CQ DX Hall of Fame are:

- * Joe Reisert, W1JR, a DXer and DXpeditioner since the 1950s, Joe has DXCC Mixed, Phone, CW, Digital and QRP with over 300 entities confirmed for each, along with 13-band Worked All States, 13-band Worked All Continents and CQ's USA-CA All Counties award. Joe is also a pioneer in 432-MHz EME (Earth-Moon-Earth) communications, ran his own antenna manufacturing company (Antennaco) and is a prolific writer and public speaker.
- * David Collingham, K3LP, a leading DXer and DXpeditioner who is also

focused on using amateur radio as an educational tool, at home and around the world. He has equipped a complete station at his hometown elementary school and has taught amateur radio to young people in Iraq, Ethiopia and Rotuma.

The 2014 inductees to the CQ Contest Hall of Fame are:

- * J. Scott Redd, K0DQ, is already a member of the CQ Amateur Radio Hall of Fame for his service to our nation as an Admiral, Deputy Administrator of the Coalition Provisional Authority in Iraq and the first Director of the National Counterterrorism Center. Scott has always found time within his professional duties for amateur radio and his first love, contesting. He is one of only two people to have won the single-operator category of all of the world's major contests.
- * Ed Muns, W0YK, is a noted RTTY contester with 9 single-op all-band and one multi-two championships and six world records. Ed is also Director of the CQ World Wide RTTY DX and RTTY WPX Contests, and manager of the North American Sprint RTTY Contest. He is also very active in the Northern California Contest Club and is a past club officer and director.

Formal inductions to the CQ Contest and DX Halls of Fame were scheduled for the Dayton Hamvention.® More detailed descriptions of inductees will appear in the official announcement in the July 2014 issue of CQ magazine.

DAYTON HAMVENTION BROADCAST. Tom Medlin, W5KUB, reports the following [edited]: "It's time for the 2014 Dayton Hamvention webcast!!

Please join us during our live, online broadcast of the Dayton Hamvention this week. To join the webcast go to <<http://W5KUB.com>> where the fun begins!

Expanded show for 2014: We will be inside Hara at Booth SA302 again this year but will also provide video from both inside and outside Hara arena.

During the Hamvention W5KUB will interview vendors regarding their latest products. We will have many special guests such as Bob Heil (K9EID) of Heil Sound; Martin F. Jue (K5FLU) founder of MFJ Enterprises; John Amodeo (NN6JA) producer of ABC TV's hit show, 'Last Man Standing'; and a special guest and co-host. Joining us this year is NASA Astronaut Col. Douglas Wheelock. Doug will be with us all day Friday, May 16th, and Saturday, morning May 17th. Doug made thousands of contacts from the International Space Station. Online viewers can directly communicate and ask questions through our chat room.

During the live broadcast, you will also have the opportunity to meet and chat with other ham radio operators from all over the world. During the 2013 Dayton Hamvention we had nearly 50,000 viewers that followed us for the 5 day broadcast!

You could win one of 52 prizes which will be awarded during the webcast! The prizes include dual band HTs, Comet Antenna Analyzer, Heil microphone, antennas, weather station, computer to radio interface, spool LMR-400, auto antenna tuners, and much more. These prizes are made possible because of our relationship with partners; such as, GigaParts, Ten-Tec, NCG Company, Kantronics, Heil Sound, ARRL, MFJ, and many more. In the past year over 10,000 USDs in prizes have been awarded! Of course, no purchase is necessary to win a prize. W5KUB is not affiliated with any products or companies and does not sell any products or services.

Dayton Hamvention webcast schedule (all times are subject to change):

- * Wednesday, May 14: 1300 UTC (8:00 AM CT) drive from Memphis to Dayton, Ohio (10 hours). Yes, this will be a live broadcast!
- * Thursday, May 15: 1300 UTC - 2030 UTC (9:00 AM - 4:30 PM ET), set up at Hara Arena and visit with vendors
- * Friday, May 16: 1200 UTC - 2100 UTC (8:00 AM - 5:00 PM ET), Dayton Hamvention

* Saturday, May 17: 1200 UTC - 2100 UTC (8:00 AM □ 5:00 PM ET), Dayton Hamvention

* Sunday, May 18: 1200 UTC □ 1600 UTC (8:00 AM □ noon ET), Dayton Hamvention

* Sunday, May 18: 1700 UTC (1:00 PM ET) drive from Dayton to Memphis (10 hours). Yes, this will be a live broadcast!

Also, please help spread the word by posting this announcement in Facebook and forwarding this message to your ham radio friends that may not have received this message! Join our group on Facebook at <<https://www.facebook.com/groups/w5kub/>> to keep up with us year-round. We'll 'see' you at Hamvention! 73, Tom Medlin, W5KUB"

DXCC NEWS. Bill Moore, NC1L, ARRL Awards Branch Manager, reports that the following operation is approved for DXCC credit:

VU4K □ Andaman and Nicobar Island; 2014 Operation

EH2, SPAIN (Special Event). Members of the Union de Radioaficionados de Donostia (EA2URD) will be using the special callsign EH2OLA for the Olatutalka Festival being celebrated in Donostia-San Sebastián (Basque Country) between May 24-25th. QSL policy: No need to QSL, they will confirm all QSO via Bureau. More info on QRZ.com.

FS, ST. MARTIN. John, K9EL, will once again be active as FS/K9EL from St. Martin (NA-105, DIFO FS-001, WLOTA 0383, WW Loc. FK88) between June 9-27th. Activity will be on 80-6 meters. He will be running 500 watts into a 3 element yagi on 6m, dipoles for 10-30m and a vertical for 40-80m. John will operate on 60m if there is interest. Usually there are daily uploads to ClubLog and LoTW. QSL via his home callsign. John states, "This year I am planning a Twitter experiment and will tweet my operating frequency/mode at the beginning of my daily activity and also each time when I change bands, change modes, QRT for meals, beach, etc. Those interested in following my operating activities during my trip, can follow me at <<https://twitter.com/FSK9EL>>."

FT5ZM DAYTON SPECIAL REPORT (Press Release from FT5ZM -- May 14, 2014):

We have reached our fund-raising goal !!!

With 14 FT5ZM team members paying 51% of the total costs and DX Foundations, DX Clubs and individual DXers contributing the difference, we have reached our goal of \$450,000. All of our DXpedition costs can now be paid and we can look forward to our next project. Any additional contributions received now, will be used to reduce the approximately \$16,500 paid by each team member. Again, thank you for your help in making FT5ZM a reality.

In order to properly recognize and thank those who helped us financially, we have uploaded all contributors to Logbook of the World (LoTW). Those who contributed prior to our departure for Amsterdam were uploaded first in recognition of their early confidence and assistance. Because our expenses are mostly upfront, those who contribute prior to any DXpedition are considered very special VIPs. Next, we uploaded all others who donated via our website during and after the DXpedition. And just this week, all those who have requested a QSL card via OQRS, have had their requested confirmations uploaded. These uploads to LoTW represent 57,069 QSOs of our total 170,000 QSOs. We will continue to upload any new OQRS direct requests to LoTW as time permits. Watch <<http://www.sjdxa.org/ft5zm-qs1.htm>> for updates from our QSL manager (N2OO) on the QSL process. We ask that you refrain from contacting our QSL manager with inquiries at this time.

Our very special QSL card is in the final design phase in Poland. It will be printed by Franklin Press (WZ8P) and then distribution will begin to OQRS requestors in mid-June. Once complete, those who requested a card via the □direct□ method will be handled. Bureau requests will be last.

All others will be uploaded to LoTW in September, just six months after our return from FT5ZM.

Again thanks to the worldwide amateur radio community for your support and QSOs. We could not have done it without you.

73,

Ralph Fedor, K0IR Bob Allphin, K4UEE Bob Schenck, N2OO
FT5ZM team leader Chief financial Officer QSL Manager
