CHESTERFIELD ISLANDS 2015 ---> The Perseverance DX Group has announced their intention to conduct a DXpedition to the Chesterfield Islands (OC-176) later in 2015. The expedition yacht "Evohe" will provide transportation from Noumea, New Caledonia. Subject to licensing and landing formalities, it is expected a team of up to 12 operators will be on the island for up to 12 days. Team members committed or considering their participation include: Pista HA5AO, Les W2LK, Heye DJ9RR, Norbert DJ7JC, Mike WA6O and Gene K5GS. Additional team members will be added throughout the planning phase. A website is under construction. Please direct questions to Gene K5GS or Pista HA5AO at their e-mail address listed on qrz.com. [TNX K5GS]

E30FB ---> Zorro, JH1AJT went QRT from Eritrea around 18 UTC on 22 September, after 4200+ QSOs and a few problems (his amplifier failed, and

he also had "PC interface and keying trouble"). The OQRS on Club Log was enabled on 25 September, and the log is being uploaded to LoTW.

FT4TA ---> The latest and last press release ("One more thing...") before the team leaves for Tromelin can be read on the expedition website www.tromelin2014.com. "Initially, we will seek to maximize the number of contacts to give everyone a chance whatever their geographical position", which means that FT4TA will be active "quite often on the most prolific bands". Their second priority will be "activity on the low bands, with all the difficulties that it generates". The logs will be uploaded to Club Log on a daily basis; the leaderboard will not be activated and "neither the pilots, nor the QSL Manager will have access to the log during the operation".

A special postage stamp, celebrating the 60th anniversary of the first amateur radio activity from Tromelin, will be used for all direct, OQRS and donor cards. The envelopes will be then postmarked and mailed by the TAAF; the process might take some time, but at the end of the day you will have your FT4TA QSL card and a Tromelin philatelic cover.

IARU REGION 1 EC ---> The new IARU Region 1 Executive Committee, elected during the Final Plenary of the 23rd General Conference, includes Don Beattie G3BJ (President), Faisal Al-Ajmi 9K2RR (Vice President), Eva Thieman HB9FPM/OK3QE (Treasurer), Dennis Green ZS4BS (Secretary), Thilo Kootz DL9KCE, David Court EI3IO, Oliver Tabakovski Z32TO, Ivan Stauning OZ7IS and Ranko Boca 4O3A (Members). The 24th IARU Region 1 General Conference will be held in Wildbad Kreuth, Germany in 2017.

INDEXA ---> The International DX Association's (www.indexa.org) newly elected/ confirmed Officers & Directors are: Gary Dixon K4MQG (President), John Scott K8YC (Vice President) and Dick Williams W3OA (Secretary-Treasurer); Bob Allphin K4UEE, Ralph Fedor K0IR, Mary Hobart K1MMH, Bill Jennings W4UNP, Franz Langner DJ9ZB, Gregg Marco W6IZT, Jerry Rosalius WB9Z and Bob Schenck N2OO (Directors). Directors have selected K4UEE to serve as Chairman for Fiscal Year 2015. [TNX W3OA]

IOTA BASH ---> The 11th annual IOTA Bash will be held on 27-28 February 2015 in Boerne, Texas. Information can be found on the IREF website (www.islandradio.org). [TNX AB5EB]

QSL CO6CG ---> Direct cards should be sent to G3OCA (Ken Frankcom, 1 Chesterton Road, Spondon, Derby, DE21 7EN, United Kingdom). Do not send cards via the bureau, Ken says, but request them by email ([g3oca1\[@\]ntlworld.com](mailto:g3oca1[@]ntlworld.com)). Ken offers his services to other operators wanting a QSL manager.

QSL VIA RN3RQ ---> Jack, RN3RQ ([ua3r\[@\]yandex.ru](mailto:ua3r[@]yandex.ru)) has taken over the QSL duties for a number of new stations: EA8/RA1A, HA9SU (SK), K9RS, N3RR, N4AF, NY4A, PR1T, RA2FDX, TK4A (2012) and UE16MM. See the complete list and QSLing instructions on qrz.com. [TNX RN3RQ]

RSGB IOTA - THE FUTURE ---> This year marks the Golden Jubilee of the Islands on the Air (IOTA) as a premier DX programme. "Those close to it have been anxious to ensure the sustainability of the IOTA programme over the next 50 years and have spent some time reviewing the challenges and opportunities it faces", RSGB's President John Gould (G3WKL) writes in a document that outlines the future of IOTA. "A number of issues have been identified: firstly, the heavy reliance of the programme on just a few key people; secondly, the need to ensure that IT support for the programme is modern and robust and will include online island credit submission akin to LoTW; and thirdly, a requirement for a friendlier and more accessible website which will be of greater use to both newcomers and the more experienced island chaser". The document can be found at <http://rsgb.org/main/blog/uncategorized/2014/09/24/rsgb-iota-programme/>

W1AW WAS ---> Look for ARRL Centennial stations W1AW/KL7 from Alaska, W1AW/6 from California and W1AW/3 from the District of Columbia to be on the air starting at 00.00 UTC on 1 October until 23.59 UTC on the 7th. Complete information on the ARRL Centennial QSO Party can be found at www.arrl.org/centennial-qso-party.

VK0EK: HEARD ISLAND 2015 ---> The VK0EK expedition to Heard Island has a new vessel (the "(Akademik Shokalskiy)") and a new itinerary, and has been advanced to November-December 2015. The voyage from Fremantle (Western Australia) to Heard and back will take about 14 days, with 21 days on the island. "In summary, we believe we now have all the core elements in place for the expedition, and have moved from the planning phase into the preparation phase". Read the latest information on www.vk0ek.org.
